

Volunteering

Volunteering gives you an opportunity to change lives, including your own and enables our community to develop programs which engage the volunteers. We are always looking for people to support our Leander Public Library, the Library Bookstore, the Crystal Falls Golf Course and the Leander Recreation Department.

Steps to Volunteer:

1. Complete the volunteer forms in the Human Resources Department at City Hall, 200 W. Willis, Leander, TX 78641
2. Age requirements and volunteer activities may vary, so you may be asked to complete a Contact Information Form, Release Form, and possibly a Criminal Background Authorization Form
3. For additional information, please call 512 528-2711

Thank you for sharing your time and abilities!
